

IMPORTANT NOTICE TO ST. MARYS RESIDENTS

Please be advised that starting on December 3, 2007, Advanced Disposal Services will be taking over residential solid waste collection for the City of St. Marys. The guidelines for these services are outlined below. Recycling bins and new garbage carts will be delivered and/or swapped out during the month of November 2007. Collection service for the following items will be once per week on the assigned pick up day for your area. Garbage carts, Recycle bins and Yard debris must be placed at the curb prior to 6 AM on the scheduled day of service.

Garbage Collection: Household garbage will be picked up once per week (schedule is as follows). Garbage must be placed in the provided 96 gallon cart with no more than two additional personal cans or bags.

The following material will not be picked up and cannot be mixed with collection for household garbage: construction debris, yard debris, batteries, tires, filled paint cans (only empty cans with lids removed will be accepted), automotive parts, tanks (gas, Freon, propane), oil and dead animals.

NO hazardous waste of any kind shall be collected (chemicals, pesticides, pool chemicals, etc.).

White goods/appliances and Bulky items will be picked up curbside on a call-in basis. You must call 510-4046 to schedule the pick up of these items. White goods/appliances include refrigerators, freezers, stoves and dishwashers. Bulky items include mattresses, box springs, chairs, couches, tables, televisions, etc.

Yard Debris Collection: Yard debris will be picked up Once per week on Wednesdays, (if it is not picked up on Wednesday it will be picked up on Thursday and so on). Material must be placed unbagged at the curb and not exceed five (5) cubic yards. Yard debris includes limbs (please keep less than four (4) feet in length and six (6) inches in diameter), leaves, grass clippings, etc, from your regular lawn maintenance. Please keep limbs and branches in separate piles from leaves and grass clippings. Material from major work performed by a contractor must be disposed of by the contractor. Additional charges will apply if yard debris exceeds five (5) cubic yards of material.
